

San Diego Wellness Collaborative

Goals and Partners

A regional team from San Diego County is working to advance the community health worker, *promotor*, and representative (CHW/P/R) workforce. The San Diego Wellness Collaborative's key goals and partners for this work are listed below.

Overarching Goals

- Build the capacity of community-based organizations so they can expand and sustain the CHW/P/R workforce in San Diego County, utilizing the new benefit implemented by the California Department of Health Care Services.
- Help up to 10 local community-based organizations contract either directly or through an intermediary for the Medi-Cal CHW benefit and deploy 10+ CHW/P/Rs sustained by Medi-Cal.
